PERSONAL AND CONFIDENTIAL

Dear Darl:

You recently sent us information relating to Edward Dunham of Troop 176. We appreciate this but would like a little more information if you can provide it.

I am enclosing a Confidential Record sheet which I would appreciate having completed so that we can identify this individual in case he moves somewhere else and tries to register with the Boy Scouts of America. You, of course can refuse registration there with no problem.

We also would like any other statements you might be able to make to elaborate on the charges. If you do have additional information concerning this, we would appreciate that also.

Thanks so much for your help.

Sincerely,

Paul I. Ernst, Director

Dear Paul:

I bring to your attention the enclosed letter regarding  
SMSgt Edward Dunham of troop 176 at Wheeler AFB, Hawaii.

The improprieties referred to charges, which he did not  
challenge during court martial proceedings, that he had  
taken indecent liberties with boys in his troop. The  
man maintains that the incident was not as it was repre-  
sented but has, nevertheless, accepted removal from  
Scouting.

Sincerely,

Darl S. Gleed  
Scout Executive
